

Position 24025 - TV Producer

Responsible for the production of assigned programs which may include features, sports or news productions. Delivers daily programs, ensuring quality, accuracy and relevance of program content. Adheres to program performance goals and production standards. SCOPE: Implements activities that generally impact discrete components / processes of the work of own unit / team / projects. KNOWLEDGE / PROBLEM SOLVING: Demonstrates proficiency in several areas of the professional function. Effectively resolves problems and roadblocks as they occur. NEGOTIATIONS / INTERACTIONS: Interacts with internal and external peers and/or managers to exchange semi-routine information related to assigned activities. ASSIGNMENT OF WORK: Receives work in the form of short-term assignments that often require the application of independent judgment. OVERSIGHT RECEIVED: Work is subject to regular supervisory review at regular intervals. Operates within the context of defined procedures. EXPERIENCE: Typically has 3 or more years of progressively complex related experience.
